But she's nice with every-
one, you
know?

You think
you're all
chummy
just because
she was
a little nice
with you?

Would you mind
staying as far
as you can
from Amene?

Maybe.
But this isn't
what Amene
wishes for...

We just
have to
find the
right
distance,
you see?

Thus...

Is that you,
Shin'ya?

W- wait...

But
I guess
you wanted
to keep a
low profile

But she's
supposed
to be in
college...

Why
the hell
couldn't I
wait until
she was
gone?

Ohno,
I can tell
just from
looking
at your
photos...

I'm afraid
you have
the wrong
person.

I'm the
girl who
chats
with you
online,
"Kakeru"!

You really
are Shiya,
aren't you.?

So...

Dr.

Erase it
from your
memory

And not
a word to
anyone

Dr.

AH

Can't
shake
your
hand!

GO
EVERYTHING.
BASICALLY!

Hmm,
I see you
got from
"hey, little
brother!"

How much
did you
see?

DR. CAN'T
SHAKE
YOUR
HAND!

Amara tells me
everything, so try
to put yourself in
my shoes when
I realised that
Hirotsu = Moshiru.

Hey, I have
a sog in this,
you know?

I-I
wanted to
apologise,
actually

All
I can do
now is
kill her
and then
myself...

Leaving
him like
this will
only
bring me
trouble.

My father
refusing
my wish, I
must
leave.

A friend
I don't want
to lose.

So, I'm
sorry.

...I can't
stand the
sight of
this girl...

I felt like
I took
advantage
of your
kindness.

I thought
that maybe
that was why
you no longer
answered me.

Don't worry,
my lips are
applied.

I'm sorry,
Aaaa!

IF SHE SAW
MY ACCOUNT,
THAT MIGHT
MIGHT FLUR
MY COVER
FOR GOOD.

what,
you don't
want to
show them
today?

WAH?!

Your
cat pics
again?

That damn
blue cat is
sucking up
points even
when I'm
not here.

Tomorrow,
after work,
I'm gonna
hang out
with you
for a bit

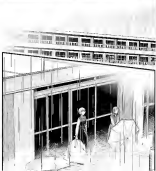

I don't
want you
to go.
Anyone.

I admire you
for being able
to love several
people, really

But
I can't be
like you

*And that's
but that.*

How could
you under-
stand that?

Yeah,
right...

...Although
I guess I
must irritate
you quite
a bit...

But I
don't think
it has any-
thing to do
with my re-
lationship
with Amano.

Even though
I can't even
explain it to
Amano...

Probably...
But far from
she does,
seriously

I
under-
stand,
trust
me

Hehe...

I'm telling
you to
leave me
alone.

Should
we go back
to class?

Let go
of me.

I mean,
turning

no,
please,
shirya.

But I
wouldn't
want you
to get sick.

It would
also make
Amara happy.

Okay, then.

I'm
back...

She
wouldn't
hold it
against
me.

I should
tell her.

Tell her that
breakers just
break under a
disruptor.

And
how much
Hirano's
chest felt.

What
happened
to your
uniform?

Did it
get
stained?
Y!

He?

I don't think she would understand

The awful feelings I'm having

But even if I reveal everything to her

well...
A car splashed me on the way.

What, are I a bother or something?

I'm just waiting for Amano to finish her work.

Huh?

Youngin' what are you doing all this for?

That's completely...

Why should I do you look disappointed?

Well, I just didn't expect you to come all the way here for that...

entirely...
What I borrow...
you know

What?

You're giving me back my umbrella?

Hey, Hime.

Both of them
are acting as
they always do.

I
guess
she's
right.

I guess
I have no right
to look at her
face-to-face.

Was Anone
also seeing
that profile
yesterday?

Have you
and Anone
kissed yet?

Hiruma

In the end

In the end

Forgive
me...

Amane,
forgive me.

Because
of that girl,
I'm forced to
hide more and
more things
from her.
